Welcome Remarks by MOA President

It is with great pleasure and anticipation that I extend a warm welcome to all participants of the 53rd Malaysian Orthopaedic Association Annual Scientific Meeting, scheduled to take place in the captivating city of Kuantan from 23rd to 25th May 2024.

This annual gathering is a hallmark event in our calendar, uniting orthopaedic surgeons and medical professionals from diverse subspecialties. As President of the Malaysian Orthopaedic Association, I eagerly look forward to seeing all orthopaedic surgeons and healthcare personnel come together to share their wealth of knowledge, experience, and insights. It is through such collaborative endeavours that we continue to push the boundaries of our field and provide the best possible care to our patients.

We firmly believe that the comprehensive program curated for this meeting will prove to be a valuable resource for all attendees. From enlightening lectures to hands-on workshops, lively discussions to networking opportunities, we are confident that this event will serve as a source of professional growth and enrichment for everyone involved.

Our association has always held the role of being the primary body for orthopaedic surgeons in Malaysia, regardless of their subspecialty affiliations. We take pride in fostering collaboration, facilitating knowledge exchange, and ensuring that the collective wisdom of our orthopaedic community benefits all.

I would like to take this opportunity to recognise the outstanding contributions of two exceptional individuals who have played pivotal roles in organising this esteemed event. Dr. Gandhi Nathan Solayar, our Organising Chairman and Assoc Prof Dr. Ahmad Fadzli Sulong, our Scientific Chairman. They have curated a program designed to ignite our passion for orthopaedic excellence. We are grateful for their dedication.

As you engage in the various activities and discussions throughout this Annual Scientific Meeting, I encourage you to seize the opportunity to learn, connect, and rejuvenate your commitment to orthopaedic care. The Malaysian Orthopaedic Association is here to support and guide you in your professional journey.

Once again, I extend my warmest welcome to all participants, and I am confident that this gathering will be a source of inspiration, learning, and camaraderie.

Thank you and I look forward to your presence at the meeting.

Sincerely,

Prof Dr Tengku Muzaffar Tengku Mohamed Shihabudin

President

Malaysian Orthopaedic Association 2023-2024

MOA Council 2023-2024

Editorial Secretary	Dr Timothy Cheng Tsin Jien
Hon Auditors	Prof Dr Sharifah Roohi Syed Waseem Ahmad Dr Chye Ping Ching

Welcome Remarks by Organising Chairman

Dear friends and colleagues,

On behalf of the organising committee, it is my pleasure and privilege to welcome you to the Malaysian Orthopaedic Association's 2024 Annual Scientific Meeting. The meeting this year will be held in the city of Kuantan, Pahang where delegates will be able to engage in an intellectual journey through the latest developments in the field of orthopaedics, all the while indulging in the scenic splendors of the east coast of our magnificent peninsular.

The MOA remains the largest representative body for orthopaedic surgeons in this country and this meeting will bring together participants, educators and industry alike with the theme "**Leading Malaysian Orthopaedics into the Future**". It is an exceptional opportunity for our younger colleagues to absorb knowledge, engage in insightful symposia, and glean wisdom from the array of plenary lectures and vibrant activities scheduled throughout the event, all aimed at enhancing their abilities for the years that lie ahead. The meeting will have a focus on trauma as will be adjudged by the more discernible of us from the logo of this meeting.

The scientific committee has been untiring in planning an educational and enjoyable programme for delegates in the form of lectures, quizzes and presentations throughout our time in Kuantan. We will have the honour of hosting and learning from renowned speakers both locally and internationally to help each of us in our work as good orthopaedic surgeons. We look forward to having the latest in cutting edge orthopaedics being showcased by our industry partners for the benefit of all delegates in improving themselves for the future.

Furthermore, I would like to extend an invitation to bring your friends and family to savour the cultural and social aspects of our programme, as well as the natural beauty and culinary delights of Kuantan, which is known for its sumptuous east-coast cuisine and exquisite beaches. I for one will have my bicycle at hand and a fellowship ride awaits those who are cycling enthusiasts, providing a delightful culmination to our event.

Finally, let me conclude by warmly welcoming all of you to, what should be for all accounts, an enjoyable and educational time for us at the upcoming MOA ASM 2024. Please spread the word and we look forward to seeing you in Kuantan next May!

Abstract Submission Guidelines

Abstract Template

1. Please use the abstract template for spacing and organisation of subsections. (Abstract that does not adhere to the abstract template will not be accepted for review).
2. Abstract template can be downloaded from the website.

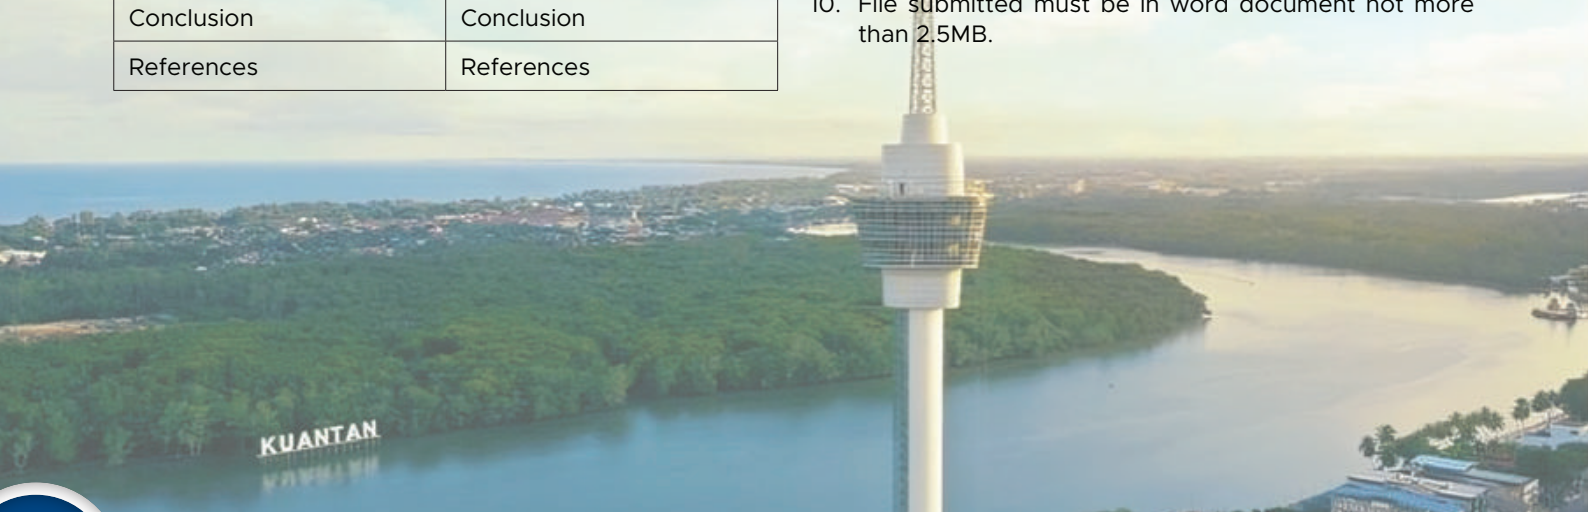

Abstract Content

Depending on whether your abstract is a Research based abstract or a Case Report, the body follows the following format.

Research Format	Case Report Format
Purpose	Introduction
Materials and Methods	N/A
Results and Discussions	Report
Conclusion	Conclusion
References	References

Abstract Guideline

1. Must not exceed 350 words including title and references.
2. Restricted to only ONE page.
3. Font size: 12.
4. Font Type: Times New Roman.
5. Spacing and Alignment: Single spacing and justified fields.
6. Figure / Table: Up to 3 figures including graphs and tables, etc. are allowed in each abstract. (The font size within the figures must be clearly visible and must not be less than size 10).
7. Format Layout: 2-column page.
8. Margin: 0.75" (1.9cm) margin.
9. If the abstract contains identifiers e.g. name of hospital in the text body, the authors need to underline them in order for the secretariat to omit them when it is send for evaluation.
10. File submitted must be in word document not more than 2.5MB.

Frequently Asked Questions

Must The Submitter and the Presenter be the same person?

Yes, the submitter and presenter must be the same.

Can I submit more than 1 abstract?

Yes, you may submit more than 1 abstract. The account login you create will allow you to submit multiple abstracts.

Which email should I use to create the account?

When you create your account, the email you use should be the same email for all correspondence and e-certificates to be delivered to. For Malaysians, please use the same email address which you use for your CPD points.

What happens if I want to amend my abstracts after I have submitted?

You may amend your abstracts until the 29th February 2024, after which you will not be able to amend your abstract anymore. The responsibility is on the abstract submitter to ensure that the contents uploaded into the abstract is correct and have been proofread for errors.

What Happens After Abstract Submission Deadline Closes?

1. All abstracts will be reviewed by the 53rd MOA ASM 2024 Scientific Committee.
2. The Committee reserves the right to select the abstracts relevant to the sessions and decide on the final form of presentation.
3. The results will be announced after the 1st April 2024.
4. All successful abstract submitters and award finalists must complete the registration process on their online account before the 20th April 2024 to qualify and present during the meeting.

Terms and Conditions

1. The research work submitted must be conducted substantially by the applicant.
2. The work must be original and must not have been presented in conferences or published previously with the exception of Subir Sengupta Best Published Clinical Paper Award and P. Balasubramaniam Best Published Translational Medicine (Non Clinical) Paper Award.
3. If you wish to be considered for any of the Awards, please refer to the rules and regulations for the specific award.
4. Do note that successfully accepted abstracts will be published in the supplementary issues of Malaysian Orthopaedic Journal (ISSN 1985-2533) unless informed by the applicant that he/she does not want the abstract to be published there.
5. All materials accepted for publication in MOJ will become the permanent property of the Journal. The journal allows readers to read, download, copy, print, search and distribute the published articles, provided the authors are properly acknowledged and cited.
6. For those who agree to their abstracts being published in the supplementary issue of MOJ, the successful applicants may be required to resubmit the abstract and high-resolution figures for publication at a later time.
7. Applicants may choose not to have that abstract published in the supplementary issue of MOJ.
8. During online submission of abstracts, you will be given the opportunity to indicate if you wish for this submission to be published or not published in the supplementary issue of MOJ.
9. Abstracts which have excerpted content from previous published articles or published abstracts must be declared upon submission and cannot be published in MOJ. This is to ensure that there will not be any copyright infringement issues or accusations of plagiarism. Please note that in the event of any issues arising from these abstracts including legal issues, the applicant is solely responsible.
10. All successful abstracts which are accepted for oral and e-poster presentation agrees that their oral and e-poster will be presented during the meeting. The oral and e-poster will become the permanent property of MOA and may be read, download, copy, print, search and distributed; provided the authors are properly acknowledged and cited.
11. Final poster presentations may have more tables and charts than the successful abstracts.

Please refer to conference website for the latest information. Conference website content will supersede this announcement as the planning of the meeting progresses.
