Description:

Applications are open to doctors from ASEAN countries for the Lee Foundation and Tan Sri Dr Runme Shaw Fellowship tenable in Singapore. The Fellowship will cover:

- a six-month clinical attachment at the Department of Orthopaedic Surgery, National University Hospital or the Department of Orthopaedic Surgery, Singapore General Hospital. The training can either be in (i) Orthopaedic Surgery or (ii) Hand and Reconstructive Microsurgery.
- temporary medical registration fee
- medical protection insurance fees
- return economy class airfare
- living allowance of SGD2,000.00 per month

FOUR awards are available each year.

Eligibility Criteria:

Applicants should:

1. preferably be below 36 years old
2. have completed their Orthopaedic Surgery Training and Orthopaedic Specialty Examination.
3. Fulfil the following requirements:
 - a) have a basic medical degree from an accredited medical university or medical school;
 - b) have passed the relevant national licensing examination in the country of conferment of the basic degree, where applicable;
 - c) have evidence of at least 12 months housemanship / internship with a certificate of satisfactory completion of housemanship or equivalent;
 - d) be registered as a medical practitioner in the country where he is currently practicing;

Email: gmsmb@nus.edu.sg

- e) be certified to be of good standing by the Medical Council or the relevant national authority;
- f) have a minimum of 3 years of working experience as a medical officer (or equivalent);
- g) 2 Letters of Recommendation from referees of your current employing hospital (including their telephone number and email address);

In addition to the above criteria, to be eligible for Temporary Registration by the Singapore Medical Council (SMC), the applicant must:

- h) fulfil English Language requirements of SMC if the medium of instruction for the basic medical qualification is not in English;

IELTS	At least 7 for ALL components (Listening, Reading, Writing and Speaking) in the academic module.
TOEFL	At least 250 marks for computer-based test or 600 marks for paper-based test or 100 marks for internet-based test (iBT).
OET	at least Grade B.

Test results for Degree & All Clinical Experience obtained from the International English Language Testing System (IELTS) or the Test of English as a Foreign Language (TOEFL) or Occupational English Test (OET), within the minimum score accepted by SMC can be considered, subject to a 2-year validity period based on the date of the test.

- i) Have an offer for a training position either as a Clinical Fellow or Clinical Observer in an SMC approved healthcare institution.

Please refer to the [website](#) for more information about the Temporary Registration:

Application:

Applicants will need to create an account and submit an online application via [Online System for Course Applications \(OSCA\)](#) by the stipulated closing date, 2359hrs (local time).

Please also download and complete this [form](#) before attaching it, together with the original supporting documents, in OSCA under "Upload Photo and Supporting Documents" -> "Any Other Supporting Documents". All documents uploaded online must be **in English**. Any document that is not in English must be accompanied by a certified English translation.

Originals of documents submitted online must be produced on the first meeting with DGMS staff in Singapore. Applicants who fail to present their original documents for verification without acceptable reasons will not be considered for the fellowship.

All documents submitted with the application are not returnable. Please inform your referees to send their reports **directly** to Ms. Sithira Devi of DGMS at the mailing address below:
